Grow your Employees Potential, *with funded training for eligible staff*

Is your organization interested in growing its potential from within? The TSSP is focused on helping businesses and non profit organizations grow the potential of their low skilled employees by providing access to funded training to eligible staff.

Program Details:

Each eligible employee can be provided with up to a maximum of **\$1500** (\$7500 per employer) to be used towards training courses that are specific to the employees workplace need. You and your employee(s) will meet with our Training Coordinator to determine what types of courses are required to help your employee grow within your organization. The training Coordinator will then help to select the appropriate courses.

Are you eligible?

In order for your organization to qualify for ASPECT's Targeted Skills Shortage Program you must have less than 100 employees and identify with one of the following sectors

Targeted sectors include:

- Professional, Scientific and Technical Services;
- Health Care and Social Assistance;
- Manufacturing; and,
- Transportation and Warehousing.

You must have an eligible employee(s) who either does not possess a high school diploma or has a high school diploma but does not have any recognized certification.

How the Targeted Skills Shortage Program Can Benefit Your Organization

- Training programs demonstrates your interest in your employees professional development or skill enhancement
- Training can increase the ability to adopt new technologies and method
- Reduce employee turnover as training employees can grow within your business
- Increase employee motivation, job satisfaction and morale among employees

Space is limited to 1200 participants across all of British Columbia. Don't miss the opportunity to apply for funded training for your eligible employees. Contact me today to find out if your organization qualifies for the ASPECT Targeted Skills Shortage Program.

Sincerely,

Jeannette, Training Coordinator
